

Visitors Policy

In accordance with our Safeguarding Children procedure we will:

- Keep a record of visitors who come into the setting using a Visitor book
- Ask for identification to verify identity.
- Not allow people whose suitability has not been checked to have unsupervised contact with children.
- The setting is used as a home by a tenant(s). The tenant(s) over 16 must complete the same suitability checks as staff and do not have unsupervised access to the children at anytime
